

Batman walks back towards Wonder Woman and the two gods.

MARS

And thank you, Batman. You've helped Venus and I rediscover our love.

VENUS

I just don't know how we missed it for so long.

BATMAN

Love, like justice, is blind.

Venus and Mars NOD and then disappear in a billow of smoke. When the smoke clears, CUPID is standing there, fully healed.

WOMAN

...recovered.

CUPID

Indeed. I'm back to my normal self. Maybe even a little better thanks to you two. My parents are back together.

WONDER WOMAN

...thank for that.

BATMAN

Princess, you protected me. Knowing you were watching me let me concentrate on the task on hand. This victory is as much yours as mine.

CUPID

You made a great God of Love, Batman. Ever think about changing careers?

BATMAN

My first love is justice, Cupid, and I'll always be faithful to her.

Cupid touches Batman's chest, and all of his Cupid gear disappears. His costume reverts to his classic look. The bow, quiver and helmet appear back on Cupid.

BATMAN (CONT'D)

(holding hand to his ear)  
Excuse me. I'm getting a police report.

BATMAN (CONT'D)

Catwoman has just been sighted at the Diamond Exchange. I have to leave. Wonder Woman?

Wonder Woman steps forward but Cupid halts her.

CUPID

I could use the Princess's help back on Olympus, Batman. I'm sure you can handle this.

BATMAN

I'm sure I can.

Batman fires his GRAPPLE GUN and SWINGS AWAY. Wonder Woman looks at Cupid with annoyance.

WONDER WOMAN

What is it you needed, Lord Cupid?

CUPID

I needed Batman to face his next challenge alone. You see, I chose Batman instead of you to replace me to prepare him for his next adventure.

Cupid SUMMONS the Book of Love and shows it to Wonder Woman. It's angled so that she can see it but the viewer can't.

WONDER WOMAN

Oh, I see.

**INT. GOTHAM DIAMOND EXCHANGE SAFE**

SHELVES OF DIAMONDS sit in the dark. The SAFE DOOR SWINGS OPEN to reveal CATWOMAN, licking her lips at the thought of stealing the baubles.

CATWOMAN

Why are you pretties sitting all alone in the dark like that? I have a much better place for you.

We track past Catwoman to reveal BATMAN, standing heroically and pointing at her.

BATMAN

And I have a much better place for you, Catwoman. Blackgate Prison!

We track past Batman's cape and see CUPID, pointing his arrow at the two of them and SMILING.
